

Reno McCarthy / Booking One-Sheet

The smoothness of Reno McCarthy's vocals is the first thing to pull you in, but the underlying depth in his songwriting is what sends the shivers.

Live in Limbo, March 2019

With his exquisite blend of lyrics and melodies, Reno McCarthy evokes something surreal and passionate and captures our attention in an instant.

Wolf in a Suit, March 2019

Reno McCarthy, not too talkative, lets his music and presence speak for itself. For a young band, the musicians are extremely tight and the precision of their sound leaves the entire room dancing.

Le Canal Auditif, May 2019

The Full Band

This format covers the most ground, and is a close live representation of the band's studio works. Complete with real time sample triggering, plenty of hard-hitting grooves and gang vocals.

Solo Acoustic

One voice and one guitar, original recipe.

Stripped Down

For the cool kids. Modern yet organic and undeniably groovy. A very simple set up that gets a lot done in limited space.
